ENFORCEMENT.

During the past year the Examiners of Electricians have given a great deal of attention to the enforcement of Chapter 141 of the General Laws, which provides for the licensing and supervision of electricians, resulting in the conviction of 52 unlicensed persons for installing electric wires in a defective manner, with total fines of \$687.00, and hearings of the Board resulting in the suspension and revocation of two licenses.

520 licensees of this department have been required to correct defective work that they installed without cost to the owner, and about 3000 jobs were visited by Inspectors of this department, resulting in the installation of a much higher class of electric work throughout the State.

Respectfully submitted,

STATE EXAMINERS OF ELECTRICIANS,

PAUL E. TIERNEY, *Chairman.*

Commissioner of Civil Service.

PAYSON SMITH,

Commissioner of Education.

JAMES M. HURLEY,

State Fire Marshal.

January 20, 1931.
